June 10, 2010

Attendance: Tom Conlon, Martha Ackerman, Joel Ackerman, Terry Ux, Jo-Marie Villett & Colette Keefe

Meeting called to order at 7:00 p.m.

Minutes: Meeting minutes from May were accepted as presented.

President's Report: Ten \$500 Athletic Booster Club scholarship awards were presented – all were present to receive. Key dates were shared with all including, June 18th – last finals taken, 21st – last day of school and 22nd – graduation.

Correspondence: Bank statements forwarded to Bonnie Cote (Treasurer).

Treasurers Report: On file.

Volunteer Report: Volunteer forms all submitted for the end of the year and will re-engage with volunteers as required starting in August.

Scholarships: New school year scholarship application has been updated and posted on our website.

Fundraising Efforts: Tom Conlon let everyone know that merchandise inventory levels were all set moving us into a very quiet period over the summer months. Inventory levels will be re-assessed following our back to school events and upcoming football/volleyball games and ordered accordingly.

Old Business: All is a green light go ahead for the new event replacing the four year running Fall Dance. School District has approved having the October 23rd event at the NHS South Auditorium. School Principal Suesing is in full support. Everyone agreed that meeting in July on an ad-hoc basis to put a committee together would make best sense. A follow up re-cap of the committee meeting will follow at our August meeting.

Scorer's Table – original company went out of business, new artwork from new vendor anticipated to be available in mid July. Expectation is that this slight set back will not impact our ability to secure table in time for the new school year.

New Business: Martha Ackerman shared with all the formation of the “pay to play” committee and how this newly voted on program by the School Board is progressing and discussions on how to implement are in process. More to follow.

Meeting adjourned at 8:00 p.m.

Next Meeting will be held on Thursday, August 19, 2010 at 6:00 PM in Room C1002
